

ECOLE SUPERIEURE DES BEAUX - ARTS DE NANTES METROPOLE

French classes

French classes are on offer at ESBANM to foreign students who are enrolled in our school in the frame of the international exchange programmes and individual projects or who have been accepted to the entrance examination for ESBANM.

During the foreign students' reception week, a first meeting will be arranged with Mrs. Chantal DRALEZ who is in charge of these classes.

At this meeting, students are asked to sit a test to assess their level in French, and according to the results, the student is put into the group which best suits his/her level.

These classes are financed entirely by ESBANM, and are given on the basis of 2 hours per week.
